

# Put AMERICANS to Work!

*The NSALP has a Plan to Save the American Worker*

**Review the entire Economic Recovery Plan at [WWW.NSALP.ORG](http://WWW.NSALP.ORG)**

-  •The reduction of unemployment by boosting American industry to create real jobs and not fake “job creation schemes”, to make America economically self-sufficient without need of foreign influence.
-  •The rebuilding of American industry by putting American industry first and ending cheap imports that undermine American manufacturing base.
-  •The revocation of all taxes on small businesses for the next 5 (five) years to rebuild the economy and support the family. The outlawing of any Value Added Tax.
-  •The promotion of America’s small , independent businesses and farms and the dismantling of multi-nationals.
