# **OFFICIAL INTERNATIONAL RED CROSS RECORDS RELEASED**

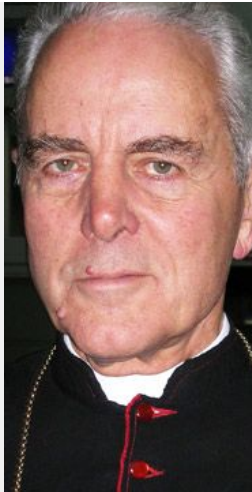

Sealed and guarded since the end of WWII at Arolsen, Germany, the Official IRC records reveal the actual Concentration Camp total death toll was 271,301

For years, people around the world - "the West" in particular - have been told that "six million Jews were systematically murdered by Germans in 'Concentration Camps' during World War 2." Thousands of honest people disputing this claim has been viciously smeared as a hateful anti-Semite. Several countries around the world have jailed and heavily fined people for disputing the claim that "6 Million" Jews were killed.

Provided here is a scanned image of an Official International Red Cross document, proving the so-called "Holocaust" [the long-and-often-claimed-6-million Jews] is just plain wrong. Jews around the world have intentionally exaggerated and perpetually lied for the purpose of gaining political, emotional and business advantages for themselves. They committed willful, criminal FRAUD upon millions of trusting people around the world!

## Bishop Richard Williamson ordered to leave Argentina

(Jens Falk/Reuters)

**COMMENT-unbelievable that one cannot even question historical events without going to jail or being kicked out of a country. We think the tide is turning and that Bishop Williamson will be vindicated before too long. People we talk to daily and who call are sick of stuff like this - thought crimes!**

Bishop Williamson has so far not apologized for his views

Chris Smyth

An English bishop who denies the holocaust has been ordered to leave Argentina.

Bishop Richard Williamson has been give ten days to leave the country or face expulsion after global controversy over his views and the Vatican's attitudes towards them.

The Argentine Interior Ministry said Bishop Williamson's statements on the Holocaust "profoundly insult Argentine society, the Jewish community and all of humanity by denying an historic truth".

An international furore erupted last month after Pope Benedict XVI lifted the excommunication of Bishop Williamson, along with three other bishops of the ultra-conservative sect, the Society of Pope Pius X.

Bishop Williamson denies any Jews died in gas chambers - calling such claims "lies" - and says that no more than 300,000 died in Nazi concentration camps. The commonly accepted figure is six million.

Bishop Williamson had been head of La Reja seminary in Buenos Aires since 2003 but he was removed from that job last week.

The Argentine interior ministry said that Bishop Williamson had not declared "his true activity" as the director of the seminary on immigration forms, and had "concealed the

true motive for his stay in the country” by claiming to be an employee of a non-governmental body.

The government said it had been unaware of Bishop Williamson’s position until recent publicity, but added that his views were a factor in the decision to expel him.

Guillermo Oliveri, the government’s secretary for religious affairs, said: “I absolutely agree with the expulsion of a man residing in our country following his statements [denying] one of the greatest human tragedies.”

Christian Bouchacourt, the director the Latin American branch of the Society of Pope Pius X, said at the time of his dismissal that Bishop Williamson’s views “in no way reflect the position of our congregation”.

Tonight the Vatican said it had no comment on the Argentine decision. Bishop Williamson is thought to still be in Argentina and it is unclear where he might go.

The row started last month when the Pope decided to lift the excommunication, imposed in 1988. The Vatican explained that his aim was to bring the Society of Pope Pius X back towards unity with the Church, and that he had been unaware of Bishop Williamson’s views.

Two weeks ago the Vatican ordered Bishop Williamson to recant his statements “in an absolutely equivocal and public fashion”. Pope Benedict XVI met American Jewish leaders to say that Holocaust denial was “intolerable” and that he wanted to offer “the hand of friendship” to Jews.

The Vatican was trying to close down a row that had seen other faith leaders and even Angela Merkel, the German Chancellor, criticize the decision to lift Bishop Williamson’s excommunication.

Bishop Williamson has apologized for the anguish caused by his views, which he first expressed in 1989, but not for the views themselves.

The Society of Pope Pius X was founded by the French Archbishop Marcel Lefebvre in revulsion at the liberalizing reforms of the second Vatican Council of the 1960s.

Bishop Williamson, an Old Wykehamist and Cambridge graduate, converted to Rome from Anglicanism at the age of 30. “I knew the world was going to hell in a hand basket and the Catholic religion is the only answer,” he explained.

“I believe that the historical evidence is strongly against, is hugely against, six million Jews having been deliberately gassed in gas chambers as a deliberate policy of Adolf Hitler,” he told Swedish television last month, days before the Pope’s decision.

**ON ATTORNEY GENERAL ERIC HOLDER'S COMMENT**

**“American's are Coward's on the issue of race”**

**Dear Attorney General Holder:**

**Today you stated on National TV before the American people that Americans are “Cowards” on the issues of race.**

**To this I say thank you. I and other National Socialists have been saying this for years. Yes, Americans are cowards on this issue:**

**Yes, Black Americans are Cowards, every time they use their race as an excuse when the Rape, Rob, Assault, and Pillage.**

**Yes, Minorities are Cowards, when on Juries; they acquit Minority Defendants based on race, i.e. O.J Simpson....**

**Yes, Minorities are Cowards are Cowards every time they are admitted to a College over a more qualified White Student based entirely on their Race.**

**Yes, Minorities are Cowards, when they accept a job they are less qualified for based entirely on their race when there was a more qualified applicant.**

**Yes, White Americans are Cowards, every time they do not speak out against these injustices that are contrary to our way of life, despite what they truly feel in their heart.**

**Yes, White Americans are Cowards, every time they go along to get along.**

**Yes, White Americans are Cowards, every time they cave into political correctness**

**Yes, Americans are Cowards, when they use Race as an excuse to condone illegal, unethical, or immoral conduct or behavior.**

**Yes, Jews are Cowards, when they claim to be Americans, yet give American secrets to Israel.**

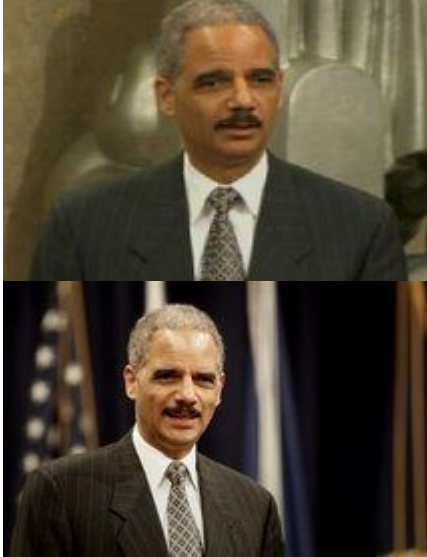

**Thank you Attorney General Holder for the courage of conviction for bringing this issue to the forefront of America's attention. Maybe now it can be discussed open and honestly.**

**Sincerely,**

# U.S. ATTORNEY GENERAL Holder: US a Nation of cowards on racial matters

By DEVLIN BARRETT, Associated Press Writer Devlin Barrett, Associated Press Writer – Wed Feb 18, 9:36 pm ET

Featured Topics:

AP – Attorney General Eric Holder makes remarks commemorating African American History Month, Wednesday, ...

WASHINGTON – Eric Holder, the nation's first black attorney general, said Wednesday the United States was "a nation of cowards" on matters of race, with most Americans avoiding candid discussions of racial issues. In a speech to Justice Department employees marking Black History Month, Holder said the workplace is largely integrated but Americans still self-segregate on the weekends and in their private lives.

"Though this nation has proudly thought of itself as an ethnic melting pot, in things racial we have always been and I believe continue to be, in too many ways, essentially a nation of cowards," Holder said.

Race issues continue to be a topic of political discussion, but "we, as average Americans, simply do not talk enough with each other about race."

Holder's speech echoed President Barack Obama's landmark address last year on race relations during the hotly contested Democratic primaries, when the then-candidate urged the nation to break "a racial stalemate we've been stuck in for years" and bemoaned the "chasm of misunderstanding that exists between the races." Obama delivered the speech to try to distance himself from the angry rhetoric of his former pastor, the Rev. Jeremiah Wright.

Holder cited that speech by Obama as part of the motivation for his words Wednesday, saying Americans need to overcome an ingrained inhibition against talking about race.

"If we're going to ever make progress, we're going to have to have the guts; we have to have the determination, to be honest with each other. It also means we have to be able to accept criticism where that is justified," Holder told reporters after the speech.

In the speech, Holder urged people of all races to use Black History Month as a chance for honest discussion of racial matters, including issues of health care, education and economic disparities.

Race, Holder said, "is an issue we have never been at ease with and, given our nation's history, this is in some ways understandable... If we are to make progress in this area, we must feel comfortable enough with one another and tolerant enough of each other to have frank conversations about the racial matters that continue to divide us."

In a country founded by slave owners, race has bedeviled the nation throughout its history, with blacks denied the right to vote just a few decades ago. Obama's triumph last November as well as the nomination of Holder stand as historic achievements of two black Americans.

Holder told hundreds of Justice Department employees gathered for the event that they have a special responsibility to advance racial understanding.

Even when people mix at the workplace or after work social events, Holder argued, many Americans in their free time are still segregated inside what he called "race-protected cocoons."

"Saturdays and Sundays, America in the year 2009 does not in some ways differ significantly from the country that existed almost 50 years ago. This is truly sad," said Holder.

Matt Miller, a spokesman for Holder, said later the attorney general used "provocative words to be clear that Americans of all races should stop avoiding the difficult issues of race."

Andrew Grant-Thomas, Deputy Director of the Kirwan Institute for the Study of Race and Ethnicity at Ohio State University, praised Holder's general message but said the wording of the speech may alienate some.

"He's right on the substance, but that's probably not the most politic way of saying it. I'm certain there are people who will hear him and say, 'That's obnoxious,'" he said, adding that what was missing from Holder's speech were specific examples of what painful subjects need to be addressed.

Hilary Shelton, vice president of the National Association for the Advancement of Colored People, called the speech "constructively provocative."

"Nobody wants to be considered a coward. We've learned to get along by exclusion and silence. We need to talk about it. People need to feel comfortable saying the wrong things," said Shelton.

Holder is headed to Guantanamo Bay early next week to inspect the terrorist detention facility there. Obama has assigned Holder to lead a special task force aimed at closing the site within a year.

Holder's Justice Department will have to decide which suspects to bring to U.S. courts for trial, which to prosecute through the military justice system, and which to send back to their home countries.

## *A DISCUSSION WITH CHAIRMAN CHRISTOPHER KREBS*

“We also had two new members recently call us who are in their 50’s and who had been essentially programmed to believe the institutional collective guilt promulgated by jewry, they had not even known of the Talmud and its sickening attitude toward non jews, until they read our materials. They are now committed Members of the NSALP and more importantly dedicated National Socialists”....

Thank you Chairman for taking time from your busy schedule and travel to talk with the People’s Observer and to update people about the NSALP and National Socialism.

*(Chairman Krebs)*

It’s Always my pleasure to talk with the Party Membership

**National Socialist People’s Observer**

The NSALP is just under a year old, has things met your expectations?

*(Chairman Krebs)*

*(smiles)* that is a really great opening question...Yes and I think things have actually exceeded what I and the 5 others who got together in March of 2008 and started talking about forming this Party would be at just under a year later. I might add our official founding date is April 20, 2008, we all know the significance of that date, so we are, when this issue goes to press 11 months old.

**National Socialist People’s Observer**

What has been your greatest challenge?

*(Chairman Krebs)*

*(Laughs)* which one, there are many... When starting a new Organization there are so many kick ups, you can’t imagine. But I would say getting over two main obstacles, the first being the constant barrage of false propaganda engrained in people’s psyche about National Socialism and the second, which is most sad, attacks, not from Jews, Liberals, Communists, Homosexuals and others, but from so called other National Socialists.

## National Socialist People's Observer

Can you elaborate on that second challenge?

### (Chairman Krebs)

Sure... (*Laughs*) it is almost a Greek tragedy. As those of us in the NSALP know, when I and the other founder got together and formed the NSALP, we had been National Socialists for years; some of us had been national Socialists longer than some other people in other groups have been alive. We, however had never been a member of those other groups for numerous reasons, unique to each of us, but there were some reasons common to all of us, mainly two, we had serious issues with the tactics and complete abhorrence with the conduct of the actions of the members of those groups and when I say conduct, the yelling and shouting of profanities, personal appearance, etc. None of which would ever have been tolerated in the original NSDAP. The second being that many of the groups had commingled National Socialist symbols with many other philosophies and obscure beliefs, some even Satanism. Some even stated they had "injected "capitalism or balanced capitalism", what the heck does that mean??? In the end Kurt Williams and I dressed down in jeans and T-Shirt and went to one groups event and chatted with a few of their members and asked them about issues, their "members" could not articulate any National Socialist issue, nor had any one we talked to at this event held by this other group read Rosenberg's "Myth of the 20<sup>th</sup> Century" or even knew who he was.

It became very clear to us that these group were essentially using National Socialist symbols for emotional demonstrations, to hock trinkets, to stir up emotions to sell acid rock CD's, their so called rallies were actually drunken Beer Fests that a average middle class family would find so offensive and fed into every negative stereotype that the jews, liberals and communists spread about those "evil mean, thug uneducated Nazis".

Some of our members have spoke out on this as have I, even though I have cautioned against quibbling between fellow National Socialists, this has resulted in a few shots at us sometimes. There are clear differences and things I and this Party will NOT do, **"I will NOT use a military title or rank which I am not entitled, unlike some who use military ranks but who have never served a day any where except in custody.** As to our web site with some of the 3<sup>rd</sup> Reich images, yes we do embrace our lineage from the NSDAP, but there are far more images of current events and issues and American historical figures who essentially embraced what later became National Socialist ideology. I thought it was funny that another site that likes to throw jabs, based on Parties "being caught in the past, does so, when his site is 80% 1960's and 80% of the materials he sells are reprints of 1960's fliers and such, now who is stuck where?? (*Laughs*). In the end the "organization" of this site, when you write it for information, you get a standard reply asking for \$5 bucks and it, like other sells trinkets and illegally dubbed videos.

One thing you will NEVER see on the NSALP website is the selling and hocking of trinkets. We will never use National Socialist symbols for business ventures. Our Party will exist on the shoulders of its Leadership and Members.

## **National Socialist People's Observer**

The NSALP's philosophy of American National Socialism is based on Populism and Nationalism, how do you see the NSALP as being different and being more open to average middle class Americans as opposed to the other National Socialist groups?

### **(Chairman Krebs)**

I think I answered most of this question when I talked about our Outreach Director and I attending another group's event incognito and our opposition to the commingling of other philosophies with mixed up ideas of National Socialism. I think this is a major problem, a lot of the other groups think a swastika and screaming White Power is National Socialism, it is not. National Socialism is a broad based political philosophy that offers solutions to all aspects of today's political, social, and economic issues. The major difference I think between us and them is that we can articulate issues and we know what real, fundamental and orthodox American National Socialism is and we can speak to a broader base of middle class Americans, heck, we are doing it. Our membership reflects it, we have working class, professionals, and military, ages 18 -80, and in less than a year we are in just about 26 States. I would say that the NSALP membership reflects America, to quote our new President (*smiles*)

## **National Socialist People's Observer**

Tell our readers, more importantly the Party Members about Christopher Krebs,

### **(Chairman Krebs)**

(Laughs)...Shall I start with my sign??? Well I have been married for going on 17 years to the same Aryan woman and have 7 children. Last Mother's Day I gave my wife an original Golden NSDAP Mother' Cross (1938) that came from my side of the family (Great Grand Mother)

I, like 3 of the 5 original NSALP Founders are from California. My family came to know of Commander Rockwell during his time in California. My family is multi-generational military, going back many generations. I am an American, I am not a Separatist and the NSALP does not advocate such policy, we want our Country back, I am a PROUD American, I have served my Country as have nearly every male and some of the females in my family. I am German and English decent, and very proud of my blood, heritage, culture, and history. Everyone should be and should be allowed to be proud.

..... National Socialist People's Observer

Excuse me for the interruption Chairman, but with, your family commitment, your educational and professional credentials, do you ever become really disgusted at the attacks leveled against you from these other groups, given the background and history of their leadership, for example, you are Aryan to the bone, while some of these other guys are wanna bees, one of the leaders is reported to even be Jewish while the other is a lot farther down the tree, you have 7 Aryan Children, you have been with the same woman for, what, 17 years, you, I know are a Church going man, you are self supporting, your family ties to Germany and Rockwell, the strong military tradition and patriotic tradition of your family, the list goes on and on.....

**Chairman Krebs:**

Those traits are not unique to me alone. I would say that I share them with all of the NSALP Leadership and rank in file Membership. Beyond that I have no comment on what standard other parties and groups choose to hold their leadership to, what I can say is that the Party's membership is reflective and I am proud of our membership.

What does disturb me is that a lot of so called "Nationalist" Groups are really doing is propping up a bogus political party for their profit business, this reminds me of the Jew Money Changers in the temple. I would challenge them to stop selling junk on their so called "political party web sites, organize, engage in the process, other than loud mouth get together, and let's see what we can do to advance National Socialism, that however will not subsidize their income or will no longer be a hobby for them. The difference between the NSALP and the others to answer your question is commitment to Americans and we are in for the ultimate victory.

A lot of these Groups have been stuck in 1965, have been Klan like, would rather fight each other than the real enemy, have charged San Juan Hill before they had their act together and have never fully realized what appeals in America and what real National Socialism is. I actually think they burned Mein Kampf in one of their book burnings. They need to read a few books before they burn them, our forefathers in the NSDAP even did that, that is how they knew what to burn.

## **National Socialist People's Observer**

The NSALP has received e-mails and comments through our web site asking why the NSALP is not out marching and shouting like other groups, what do you say to them?

### **(Chairman Krebs)**

NSALP Marches and Rallies are on the horizon. I have asked the Deputy party Leader and others in the Leadership to look at planning a first Party Congress in November. Look the biggest mistake other groups have made have made is they get together, get all emotional,, ya ya ya then run out and charge San Juan Hill before they are ready, and when I say ready that means a heck of a lot. It means ready it terms of organizationally internally, externally, at the national Office and in EVERY State District. It also means being so well organized and strong enough that when you do charge San Juan Hill, you can sustain that first solid body blow your enemies land on you.

I would ask all our Members to take a step back and reflect, in just 11 months, we have grown from a mere concept to a real National Socialist Political Party that is, according to my latest Report, is organized in 26 States, now, pardon me that makes us larger than then another certain National Socialist Party that claims to be the largest and most organized and they have been around since the early 1970's, we did it in 11 months, and I must say, we did it without recruiting from prisons.

## **National Socialist People's Observer**

What do you think makes the NSALP different in the eyes of people who join who have never been in a National Socialist party and more appealing than the other National Socialist Groups?

### **(Chairman Krebs)**

***EXCELLENT** question, (big smile), let me share with you one very powerful, but brief e-mail I received from a person who had never been in a National Socialist Party before,*

*“You say it like it is, and do it in a way  
so you come across with brains not like some. Erik erikeb@.. ”*

I can't provide a better answer, I think this comment, and there have been many like it, shows we are doing things right. We also had two new members recently call us who are in their 50's and who had been essentially programmed to believe the institutional collective guilt promulgated by jewry, they had not even known of the Talmud and its sickening attitude toward non jews, until they read our materials. They are now committed members of the NSALP and more importantly dedicated National Socialists. When you see this type of awakening as a result of your work, you know you are making a difference, especially when the people say you, “Thank God for you”., to them I say, Thank God for them, for they are willing to THINK FOR THEMSELVES....

## **National Socialist People's Observer:**

Thank you Chairman for your time and detail and your work in building the Party.

Adolf Hitler Quote for March 2009.....

The Fuhrer on Growth, "The tallest tree takes the longest time to grow. That which braves the centuries likewise only grows strong over hundreds of years."

## **NSALP TO MARK ADOLF HITLER'S 120<sup>TH</sup> BIRTHDAY WITH EVENTS IN ALL REGIONS**

April 20, the Fuhrer's Birthday anniversary is just a short time away.

We want in all NSALP Regions and State Districts a Birthday celebration to be held.

These events do not have to be small.

We do want them to be meaningful.

Have potential new recruits and regular members over or choose a place for fellowship and intellectual discussion on the Policies of National Socialism that were developed by Hitler and those that are still in use today, (hint, hint) the Autobahn.

This weekend we will send out some guidelines for the events.

They ARE NOT to be beer fests, however this does not mean beer can be served, think Oktoberfest. They must be family Type Events, no foul language or conduct that would bring shame and embarrassment on the event (Hitler's Birthday) and the NSALP.

The bigger picture here is to have a series of Hitler Birthday Parties all over the Nation on April.

Make sure to take jpeg pictures during these events as we will have a special page added to our web site just for this event.

Think about the concept, for the first time since 1945 there will be a series of events all over a Nation celebrating Hitler's Birthday.

## INVASION USA

# Illegal aliens linked to gang-rape wave

The crime epidemic no one will talk about?

---

By Chelsea Schilling

## "Many illegal aliens have a rape and pillage mentality toward America

A wave of illegal-immigrant gang rapes is sweeping the U.S. while public officials and law-enforcement authorities fear drawing the link, experts say.

Deborah Schurman-Kauflin, a Ph.D. researcher of violent crimes, told WorldNetDaily, "It appears as if there is a fear that if this is honestly discussed, people will hate all illegal immigrants. So there is silence. ... But in being silent about the rapes and murders, it is as if the victims never even existed."

Schurman-Kauflin, who runs the [Violent Crimes Institute](#) in Atlanta, participated in a [12-month, in-depth study of illegal immigrants who committed sex crimes and murders from January 1999 through April 2006](#). The study found

approximately 240,000 illegal-immigrant sex offenders reside in the United States – while 93 sex offenders and 12 serial sexual offenders come across U.S. borders illegally every day.

Schurman-Kauflin said, "Gang rapes by illegal immigrants appear to be gang related. Many of the cases I reviewed involved gang members. As part of being a cohesive group, they offend together. Inflicting brutal gang rapes brings them closer together as a group. It is a way to demonstrate their power. And it sends a message to anyone who dares to cross them."

[Americans for Legal Immigration PAC](#) told WND it now is tracking 12 gang rapes by illegal aliens within America's borders since Oct. 2004.

ALIPAC's president, William Gheen, said, "These are just the ones we know of. The real number is much higher."

Member of gang Mara Salvatrucha (NPR.org)

Gheen told WND he believes the number of gang rapes is increasing as the population of illegal aliens in the U.S. increases.

"Many illegal aliens have a rape and pillage mentality toward America," he said. "The government has shown them they can break our laws on many levels without much fear of enforcement. Why should they think of rape or gang rape any differently?"

Gheen said, "Illegal aliens are more likely to engage in these crimes because rapes and gang rapes are much more common in the gang-rule Third World areas they come from."

MS-13, also known as Mara Salvatrucha, a highly organized and well-funded Central American gang, is infiltrating at least 33 states across the U.S., according to law-enforcement authorities. The gang is well-known in Los Angeles, Houston, New York and Washington, D.C., for excessive brutality. Any person suspected of cooperating with authorities is hunted down, tortured and killed. Initiation rites include kickings, beatings and gang rapes.

Gheen said, "These gangs are forcing new female gang members to undergo gang rape to enter the gang and they are asking their male initiates to gang rape American women to become an official member of the gang."

MS-13 relies on metropolitan areas with highly concentrated populations of illegal aliens to boost its spreading membership. Chapters require that initiates perform random acts of violence, such as participating in gang rapes, to gain acceptance, confirm law-enforcement officials.

Three MS-13 gang members were charged in the brutal rapes of two deaf girls, one 14, the other 17, in a Massachusetts park in 2002. One victim, who also suffered from cerebral palsy, was pushed out of her wheelchair before being raped repeatedly.

Illegal alien rapists often maintain several aliases, making escaping justice easier.

Jorge Villa-Gutierrez, 25, is in prison for the gang rape of an 18-year-old Douglas County, Colorado woman. He claimed to have paid only \$100 for a fake ID and Social Security number.

Manuel Cantu, 28, pleaded guilty in Middlesex Superior Court February 2005 in Cambridge, Mass., to six counts of rape and one count of indecent assault and battery on a person over 14 years old. Cantu also went by the aliases Angel Meza and Angel M. Salvador, according to court documents.

Gheen said, "Illegal aliens have been walking out of American prisons after serving their time at taxpayer expense without being deported. Our government can't or won't find the hundreds of thousands of known felon illegal aliens walking America's streets tonight much less stop the new felons coming in tonight across our unsecured borders."

The Violent Crimes Institute study established a pattern of escalating offenses among illegal aliens, whose first offense was illegally entering the U.S.

Schurman-Kauflin told WND, "Illegal immigrants who commit sex crimes first cross the U.S. border illegally, then gradually commit worse crimes and are continually released back into society or deported. Those who were deported simply returned illegally again. There is a clear pattern of criminal escalation. From misdemeanors such as assault or DUI, to drug offenses, illegal immigrants who commit sex crimes break U.S. laws repeatedly."

Most of the offenders reported in the study were located in states with the highest numbers of illegal immigrants. California was No. 1, followed by Texas, Arizona, New Jersey, New York and Florida. The 1,500 offenders studied had a total of 5,999 victims – averaging four victims each. Of those studied, 525, or 35 percent, were child molestations, 358, or 24 percent, were rapes, and 617, or 41 percent, were sexual homicides and serial murders.

Schurman-Kauflin said, "We need to know who is coming into this country. It is a matter of security, life and death. ... Our borders should be secured so that those with evil intentions cannot enter. We need more Border Patrol agents, more training for these agents and a commitment that we will not tolerate predators coming into this country. There must be security and a return to the rule of law."

Last year, officials of the House Judiciary Committee said that U.S. immigration officers and police are not always on the same page. Police do not always inform immigration authorities about arrests of undocumented aliens, and immigration officers are often too late to identify the aliens before they are released on bail.

New York's arm of the Department of Homeland Security is only interviewing 40 percent of foreign-born inmates at Rikers Island – "a failure that puts criminal aliens back on the streets instead of deporting them," according to the New York Post.

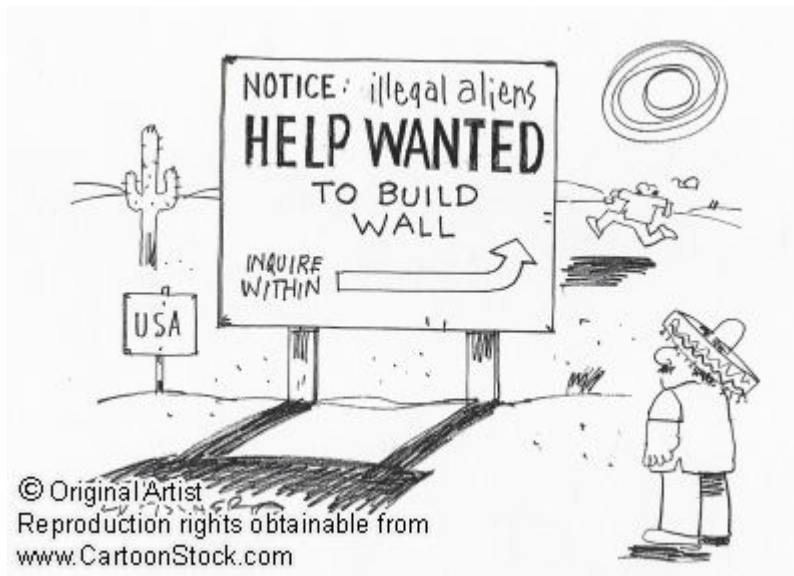

"Gang rape is a form of terrorism. It has been used throughout history as a weapon of terror," Gheen said. "Most Americans do not see the war that is already upon us in our communities and neighborhoods."

Some high-profile gang rapes by illegal immigrants include:

- December 2002 – In New York, several criminal aliens, who had passed in and out of Rikers and other jails without being detected by immigration officials, brutally beat and gang-raped a Queens mother of two near Shea Stadium. Three of the five rapists were illegal Mexican aliens with multiple prior arrests for crimes including assault, weapon possession and armed robbery.
- January 2004 – Four illegal aliens were among the five men who brutally gang-raped a New York City woman. "They punched me so hard that I was knocked to the floor," the 43-year-old victim wrote before Supreme Court Justice Randall Eng sentenced one of her attackers, Victor Cruz, to 21 years in prison. Cruz, Luis Carmona, Carlos Rodriguez, Armando Juvenal and Jos? Hernandez pleaded guilty in December to rape and kidnapping charges in exchange for sentences of 20 to 23 years.

- October 2004 – a 37-year-old North Carolina woman was gang raped by at least seven illegal aliens in Huntersville, N.C.
- Oct. 4, 2005 – In Immokalee, Fla., 14 field laborers, ranging in age from 18 to 56, broke into an 18-year-old woman's home, dragged her across the street and then took turns raping her. The victim said the men choked and hit her until she became unconscious. When she awoke, a man poured alcohol in her mouth. The men removed her clothing and each one raped her.
- June 28, 2006 – Texas' Waco Tribune Herald reported illegal immigrants Javier Guzman Martinez, 18, and Noel Darwin Hernandez, 22, have been charged with one count of aggravated kidnapping and one count of aggravated sexual assault of an 18-year-old Tehuacana woman. The girl had been cut with a piece of glass or "other unknown object."
- July 10 – In Sayre, Pa., the Evening Times reported "Gasper Almilcar Guzman" was among a group of men who were found July 10 to be in this country illegally following a routine traffic stop in Athens Township. Guzman had been convicted of raping a 14-year-old girl in Alabama in 2005. Guzman was deported before he could begin serving his five-year sentence.
- July 13 -- In Noblesville, Ind., an illegal alien named Miguel Gutierrez, 20, faces two counts of rape for taking a 14-year-old into a garage and participating in a four-man gang rape on the girl. Following the gang rape, the girl was forced into a car and raped again, according to news reports.
- July 17 – In Greenville, N.C., Fernando Cruz, 41, Walter Ramires, 26, Luis Morales, 24, and Pedro Vasques, 27, were charged with first-degree rape and first-degree kidnapping of a woman. They drove the woman to a field path on the edge of town and took turns raping her.
- July 21 – Sinoe Salgado Garcia, a 28-year-old Fontana, Calif., man convicted of kidnapping and raping a 4-year-old girl, was sentenced to a 30-year-to-life prison term, according to the Riverside Press Enterprise. The child was found hours later inside a shed, thrown over a 6-foot-tall block wall, investigators said. She underwent surgery to repair damage caused by the rape and sodomy, court records show. The site reported that she also suffered three facial fractures.
- Aug. 3 – Two young illegal aliens living in Charlotte, N.C., were charged with gang raping an Asheville teenager at the Red Roof Inn. They are 22-year-old Pablo Vasquez Osorio and 23-year-old Marcos Guerrero Fuentes. Both were charged with first-degree rape and kidnapping of a 17-year-old Asheville girl at a Red Roof Inn.

## Jury: Rancher didn't violate illegal aliens' rights

By **ARTHUR H. ROTSTEIN**  
**Associated Press**

TUCSON, Ariz. — A federal jury found Tuesday that a southern Arizona rancher didn't violate the civil rights of a group of illegal immigrants who said he detained them at gunpoint in 2004.

The eight-member civil jury also found Roger Barnett wasn't liable on claims of battery and false imprisonment.

But the jury did find him liable on four claims of assault and four claims of infliction of emotional distress and ordered Barnett to pay \$77,804 in damages — \$60,000 of which were punitive.

Barnett declined to comment afterward, but one of his attorneys, David Hardy, said the plaintiffs lost on the bulk of their claims and that Barnett has a good basis for appeal on the two counts on which he lost.

"They won a fraction of the damages they were seeking," Hardy said.

All six plaintiffs are citizens of Mexico, five of whom are living in the United States with visa applications pending, and the sixth resides in Mexico but was allowed into the U.S. for the trial, said Nina Perales, an attorney with the Mexican American Legal Defense and Educational Fund. She declined to say where in the U.S. they're residing.

Perales called the outcome "a resounding victory that sends a message that vigilante violence against immigrants will not be tolerated."

David Urias, attorney for the plaintiffs, said, "Obviously we are disappointed with some aspects of the verdict. But I think that overall this was a victory for the plaintiffs."

For years, Arizona has been the busiest point along the Mexican border for illegal immigrants entering the United States.

For more than a decade, Barnett has been a controversial figure in southern Arizona. He's known for aggressively patrolling his ranch property and along highways and roads in the area, often with his wife and brothers, on the lookout for illegal immigrants.

The plaintiffs alleged that Barnett threatened them with his dog and told them he would shoot anyone who tried to escape.

Barnett's lawyers argued that his land was inundated with illegal immigrants who left trash on his property, damaged his water supply and harmed his cattle.

Barnett's wife and a brother were dismissed as defendants; in addition, 10 more people initially named as plaintiffs were dropped from the proceedings.

Barnett has been known to wear a holstered 9-mm pistol on his hip and upon coming across groups of migrants, to flash a blue and gold badge resembling that of the highway patrol, with the wording "Barnett Ranch Patrol. Cochise County. State of Arizona."

The Barnetts detain and turn over those whom they encounter to the U.S. Border Patrol. In 2006, Barnett estimated that he had detained more than 10,000 illegal immigrants in 10 years.

His actions have resulted in formal complaints from the Mexican government against what it considers vigilante actions, and in several other lawsuits, including one stemming from an October 2004 incident.

In that case, a jury awarded a family of Mexican-Americans on a hunting trip \$100,000 in damages, later upheld by the Arizona Supreme Court.

Barnett's 22,000-acre ranch, about five miles north of the Mexican border, includes private and federal lease holdings in addition to nearly 14,000 acres of state-leased land.

## ***German Rocket Scientist Konrad Dannenberg Dies at 96***

Konrad Dannenberg (left) talks with Scaled Composite's founder, Burt Rutan.

German rocket scientist Konrad Dannenberg, a member of the team that helped put man on the moon, died in Huntsville, Alabama on February 16. He was 96.

His wife Jackie said he died of natural causes, the *Birmingham News* reported.

Dannenberg played a role in developing the Redstone, Jupiter and Saturn rockets, especially their engines. He received the NASA Exceptional Service Medal for successfully starting the development of the largest rocket ever built, the Saturn V, which took the first human beings to the moon.

In 1950, 118 German scientists came to Huntsville as part of Wernher von Braun's team. With Dannenberg's death, only six survive.

Born in 1912 in Weissenfels, south of the eastern German city of Leipzig, Dannenberg earned his master's degree in mechanical engineering from the Hannover Technical University.

Inspired by Austrian amateur rocketeer Max Valier, who advocated the use of rockets for space flight, and automobile engineer Fritz von Opel, who built the world's first rocket-powered automobile engine in 1928, Dannenberg and his colleagues began building their own rockets, according to NASA's website.

He was drafted by the German Army in the 1930s as a horseman, but eventually released from military duty because he was deemed unsuitable to ride horses. He was next sent to Peenemünde, which would become Germany's premier rocket development and test site. His main assignment was the development of the 25.4 tons thrust engine for V-2 rocket production.

In 1960, Dannenberg joined NASA's newly established Marshall Space Flight Center as deputy manager of the Saturn program. He retired from that post in 1973 and became an

Associate Professor of Aerospace Engineering at the University of Tennessee Space Institute (UTSI) in Tullahoma, Tennessee.

With his wife Ingeborg M. Kamke (now deceased), Dannenberg had a son, Klaus Dieter, who has two married children. From them Dannenberg had four great grandchildren. He had remarried to Jacquelyn E. Staiger of Boston, Massachusetts.

# Tom Cruise refused to meet Hitler's former bodyguard during making of Valkyrie

**Tom Cruise refused to meet Adolf Hitler's last surviving bodyguard during the making of Valkyrie, his new film about an assassination attempt on the Nazi leader.**

Rochus Misch: At the time of the plot Misch was an Oberscharfuhrer in the SS and worked as a bodyguard, courier and telephone operator for Hitler Photo: CHRISTIAN JUNGEBOLT

Rochus Misch, 91, who still lives in Berlin was at Hitler's side from 1940 to 1945 and was with the Fuhrer in his bunker in the last days of his life.

Screenwriter Christopher McQuarrie interviewed him as part of research for the film Valkyrie.

But Cruise told the Los Angeles Times: "I didn't want to meet him. Evil is still evil, I don't care how old you are."

In the film Cruise plays Colonel Claus von Stauffenberg, who led a failed plot to assassinate Hitler in 1944.

At the time of the plot Misch was an Oberscharfuhrer in the SS and worked as a bodyguard, courier and telephone operator for Hitler.

He travelled with Hitler from bunker to bunker during the Second World War.

On January 16, 1945, following the German defeat in the Battle of the Bulge he moved with Hitler into the Fuhrerbunker in Berlin, where he handled all direct communications with the outside world.

He saw Hitler's body after his suicide and then fled the bunker before being captured by the Red Army.

He was released in 1954 and has lived in Berlin ever since. He is the last survivor of the Fuhrerbunker.

Misch told The Sun: "Hitler was my Fuhrer like everyone else's and I was in awe of him.

"I knew Stauffenberg. He killed comrades. It's the worst thing a soldier can do. It was not the actions of an officer."

# DRESDEN BOMBING ANNIVERSARY

## Strong Neo-Nazi Showing in Dresden Heightens Concerns

**Neo-Nazis were outnumbered by counter-demonstrators in Saturday's marches to mark the 64th anniversary of the fire-bombing of Dresden. Still, some 6,000 far-right demonstrators turned up, far more than last year. It's a sign of the growing neo-Nazi threat in Germany, warns a Jewish leader.**

Saturday's demonstration by around 6,000 neo-Nazis in Dresden to mark the anniversary of the destruction of the city by Allied warplanes in February 1945 was a "dramatic sign" of the growing strength of the far right in Germany, a leading member of the country's Jewish community said.

There were almost twice as many far-right demonstrators as last year and police said they were surprised the far right had managed to mobilize so many supporters this time to mark the 64th anniversary of the air raids that devastated the city on Feb. 13 and 14, 1945. It was one of the biggest far-right demonstrations in Germany since the war. Still, they were outnumbered by around 10,000 counter-demonstrators who converged on Dresden to protest against the far right.

An [estimated 25,000 people](#) died in the bombing which caused a firestorm and left one of Europe's most beautiful baroque cities in ruins.

Holger Apfel, the deputy leader of the far-right National Democratic Party, earned cheers and applause from the crowd when he described the bombing as a "unique Holocaust perpetrated on the Germans."

The demonstrators, flanked by thousands of police officers to keep them apart from anti-Nazi activists bent on disrupting their march, walked through the city in a long column. Most of them were clad in black and they kept silent as they marched. Some carried banners that said: "Grandfather, We Thank You" and "Honor to Whom Honor is Due."

Germany's far-right regularly seizes on the bombing of Dresden to portray Germans as victims of the war they started.

"The demonstration is a dramatic sign and shows that we aren't sowing unnecessary hysteria and panic when we warn about the growing danger of the far right," Stephan Kramer, the general secretary of the Central Council of Jews in Germany, told *Berliner Zeitung* in an interview published on Monday.

About 6,500 people held a counter-demonstration on Dresden's Theater Square to protest against the neo-Nazis' attempt to seize on the bombing to promote their distorted view of history. Several thousand militant anti-Nazi fascists gathered at other locations in the city.

### **Merkel's Conservatives Stayed Away**

The leader of the center-left Social Democrats, Franz Müntefering, and politicians from the Left Party and the Greens attended the Theater Square demonstration.

Politicians from Chancellor Angela Merkel's conservative Christian Democrats and from the opposition liberal Free Democrats stayed away, apparently because they didn't want to be seen alongside members of the former communist Left Party in this election year.

"I find it very regrettable that no senior conservative or liberal politicians turned up," said Kramer.

Hundreds of militant anti-Nazi activists clashed with police during Saturday afternoon and police said they detained 86 people and that 30 officers were slightly injured. Two unoccupied police vehicles were overturned.

Later on Saturday, five anti-Nazi demonstrators were injured during a chance encounter with neo-Nazis at a motorway service station. They had been in separate coaches that had both stopped at the service station on the way back from the Dresden demonstrations.

Police said the 40 neo-Nazis had hurled abuse at the group of 40 trade unionists and Left Party members before assaulting them. Two of the victims had to be treated at a hospital.

"I'm alarmed at the increasingly frequent and brutal acts of violence by neo-Nazis," Ulrich Wilken, the head of the Left Party in the state of Hesse, said in a statement. "People who look on at the increasing far-right violence without doing anything are indirectly making themselves responsible for what is happening."

While far-right attacks on immigrants, anti-Nazi activists and Jewish sites are commonplace -- especially in the economically depressed east -- the [near-fatal stabbing](#) of the police chief in the Bavarian town of Passau by a suspected neo-Nazi last December fuelled public concern about the far right.

The government of Bavaria last month announced a package of measures to tackle neo-Nazis including reviewing a fresh attempt to ban the National Democratic Party and requiring schools to take children on visits of concentration camps.

## A JEW FESSES UP.....

### "Worst Is Yet to Come:" Americans' Standard of Living Permanently Changed

There's no question the American consumer is hurting in the face of a burst housing bubble, financial market meltdown and rising unemployment.

But "the worst is yet to come," according to [Howard Davidowitz](#), chairman of Davidowitz & Associates, who believes American's standard of living is undergoing a "permanent change" - and

Tishrin, July 27, 2002 (Syria)

not for the better as a result of:

- An \$8 trillion negative wealth effect from declining home values.
- A \$10 trillion negative wealth effect from weakened capital markets.
- A \$14 trillion consumer debt load amid "exploding unemployment", leading to "exploding bankruptcies."

"The average American used to be able to borrow to buy a home, send their kids to a good school [and] buy a car," Davido Witz says. "A lot of that is gone."

Going forward, the veteran retail industry consultant foresees higher savings rate and people trading down in both the goods and services they buy - as well as their aspirations.

The end of rampant consumerism is ultimately a good thing, he says, but the unraveling of an economy built on debt-fueled spending will be painful for years to come

**AND ANOTHER JEW SAYS.....**

### Israeli Spokesman Says We Control Stupid Americans

"Another Israeli spokeswoman, Tzipora Menache, stated that she was not worried about negative ramifications the Israeli onslaught on Gaza might have on the way the Obama administration would view Israel. She said 'You know very well, and the stupid Americans know equally well, that we control their government, irrespective of who sits in the White House. You see, I know it and

**you know it that no American president can be in a position to challenge us even if we do the unthinkable. What can they (Americans) do to us? We control congress, we control the media, we control show biz, and we control everything in America. In America you can criticize God, but you can't criticize Israel."**

Commenting on the latest Israeli one-directional onslaught against the Palestinians of Gaza Strip, the Israeli 10th TV channel has disclosed that the Israeli genocidal forces had used half of its air force and had launched at least 2500 air raids against Gaza Strip.

The television military correspondent stated that the Israeli warplanes had dropped more than a thousand tons of explosives, including white phosphorous and DIME (Dense Inert Metal Explosive) bombs, during three weeks on the virtually unarmed densely populated 360 square Kilometers Strip.

He added that the shells fired by tanks, artillery, gunboats, and infantry were not included in those fired by the air force.

After a whole week of continuous air bombardments Israel sent in its elite foot soldiers; 30,000 of them, and called in 10,000 of its reservists. Armed with the latest weapons of mass murder, covered with an umbrella of free reigning air force, and accompanied with raining shells of heavy artilleries, they drove their tanks into the civilian towns murdering civilians and destroying every structure in their path.

Living outside of Gaza one cannot fully understand the barbarity of this genocide especially when the Western media had barely covered any of its atrocity. To gain a slight idea of its enormity one should remember that, during the 6-days war of 1967, this same Israeli army was distributed on four fronts; Egyptian, Jordanian, Syrian, and Lebanese, and it was fighting regular armies. Now the whole brunt of this army is concentrated on a small strip against unarmed and untrained civilian population.

Latest official count was 1350 murdered, 40% of them were children, and 5300 were injured; mutilated and amputated. It was reported that 80% of the injured were the victims of burning phosphorous bombs. More dead are being discovered under the rebels, and many seriously injured are expected later on to die. Israeli tanks had left several city blocks completely destroyed without any homes or structure standing. The tanks shelled homes and apartment towers. Due to the small size of Gaza Strip Palestinians had to build vertically. Many apartment towers went up 15-20 stories high with each story containing 6-8 apartments.

A total of 20,000 buildings were completely or partially burnt and damaged. The UN has reported that more than 50,000 Palestinians are left homeless and are now crowded into 50 emergency shelters. An estimated of 50,000 more are living with relatives and in tents they erected on the ruins of their homes. The Israeli bombardment targeted everything in Gaza including government buildings, police headquarters, banks and business offices, the main university, 67 schools sheltering civilians, shopping centers and market places, factories, water, sewer, and electricity infrastructures, private homes and apartment towers and charity organizations.

Farms, including their animals, were also targeted and hundreds of acres of crops and fruit groves were incinerated. Religious buildings, where civilians usually seek shelter, were specifically targeted. Israeli fighter planes had completely destroyed 41 mosques, and partially damaged 51 others. One church was also targeted. Even cemeteries were not spared; 5 of them were bombed.

Although the Israeli army was given the exact GPS co-ordinates of every UN structure, as asserted by Christopher Gunness, the UNRWA spokesman, Israeli F-16 planes had repeatedly dropped phosphorous bombed on UN schools knowing very well that hundreds of civilians had taken shelter there. At least 45 children and women were burnt and murdered there.

The UN headquarters in Gaza City was also hit with three, not just one, phosphorous bombs burning tons of humanitarian aid and food stuff. The fire kept on burning for three days. UN-flagged humanitarian convoy was also shelled killing one driver.

Medical centers and paramedics were not spared. The Red Crescent Al-Quds hospital in Tal el-Hawa neighborhood was hit by Israeli shells and caught on fire. Other two hospitals; Al-Wafa and Al-Fata hospitals, were also shelled, leading the World Health Organization to express its deep concern about the serious implications of such bombardments. 16 other smaller health clinics and 16 ambulances were also

damaged. Medics were targeted and prevented from helping the injured. Ten of them, including two doctors, were murdered.

Media centers were particularly targeted. Local and international news reporters were prevented from entering Gaza. Those, who were able to enter, were directly targeted. The Al-Shuruq office tower housing several international and Arab media outlets was directly hit. Two cameramen working for Abu Dhabi TV were injured, while the offices of Reuters News Agency, Fox TV, Sky, and Al-Arabiya TV offices were damaged. Another raid had damaged the headquarter offices of Al-Resala newspaper.

Similar to all their previous wars the Israeli soldiers had committed massacres against Palestinian unarmed civilians. They have used internationally banned weapons such as phosphorous bombs, DIME, and depleted uranium, as reported by international physicians, eyewitnesses, and military experts. Israeli soldiers had mutilated the bodies of their victims to instill terror in the hearts of people hoping they will leave Gaza. Israeli soldiers herded many families in one building using them as human shield, and then later on bombed the building on top of them. They shot civilians, mainly children, directly and at point blank. The bodies of some children were found shot several times; as many as 18 bullets in the body of a 12 years old girl, and 12 bullets in the body of her 2 years old sister.

Israeli soldiers had wiped off whole Palestinian families. Al-Samuni family lost 11 members, Abu Aisha family lost 6, Batran family lost 6, al-Rayyan family lost 15 and al-Balousha family lost 5 sisters. Other families, too many to mention here, were either murdered or incinerated by the phosphorous bombs. The Israeli army has been carrying out a deliberate indiscriminate mass murder. During the first Intifada, 1987 – 1993, they murdered 1162 Palestinians. During the second Intifada, 2001- 2006, they murdered 5500 Palestinians. Now, in a short period of three weeks, they murdered 1350 Palestinians.

This onslaught is a holocaust since the many tons of phosphorous bombs, dropped on Gaza cities, had burnt civilians to the bones, burnt their homes and buildings, and burnt their fields and crops. This is the holocaust that the Israeli Deputy Defense Minister, Matan Vilnai, had threatened Palestinians with when he stated: "the more Qassam fire intensifies and the rockets reach a longer range, they will bring upon themselves a bigger shoah (holocaust) because we will use all our might to defend ourselves."

One cannot help but wonder how could a group of people, who claim to be the victims of a holocaust, commit another holocaust against another nation. What is it that feeds, perpetuates and intensifies this Judaic genocidal spirit although all Arabs, including Palestinians, had offered these Zionist Jews many agreements of coexistence, peace and security? The answer comes through their media outlets, through the words of their scholarly educators, and through the teachings of their Rabbis.

"All of the Palestinians must be killed; men, women, infants, and even their beasts" cries the religious opinion of Rabbi Yisrael Rosen, the director of the long-established Tsomet Religious Institute. He wrote that Palestinians are like the nation of Amalekites, who attacked the Israelite tribes led by Moses on their way to Jerusalem. He stated that the Lord sent down in the Torah a ruling that allowed the Jews to kill the Amalekites, and that this ruling is known in Jewish jurisprudence.

The Torah states: "Annihilate the Amalekites from the beginning to the end. Kill them and wrest them from their possessions. Show them no mercy. Kill continuously, one after the other. Leave no child, plant, or tree. Kill their beasts, from camels to donkeys." Rosen stated that Amalekites are not a particular race, but rather all those who hate and oppose the Jews; Christians and Muslims.

Many leading Israeli Rabbis support Rosen's views. Israel's former Sephardic Chief Rabbi Mordechai Eliyahu advocated carpet bombing of Gaza stating that "there is absolutely no moral prohibition against the indiscriminate killing of civilians during massive military offensive on Gaza" (The Jerusalem Post, 30 May, 2007). His son Rabbi Shmuel Eliyahu amplified his father's genocidal call stating: "if they don't stop after we kill 100, then we must kill a thousand, then we must kill 10,000 and even a million"

Many Rabbis had argued that Palestinians in Gaza are not innocent civilians and that during war time it is not individuals but nations the Israelis are fighting. (It seems that Hitler had adopted this Telmudic teaching when he persecuted all European Jews)

Israeli educators, scholars, and politicians, openly, advocate the annihilation of all Palestinians. Dr. Nachum Rakover, a legal scholar, opined "They voted for killers and sent them to kill us. To call them (civilians) innocent is a tragic comedy... civilians are partners of the killers" Eli Yeshai, Israeli official in the Orthodox Shas party argued that "extermination of the enemy is sanctioned by the Torah" Many other

politicians called for the need for "wiping off Gaza from the face of earth", and "annihilating of every moving thing there." The right-wing Israeli politician Avigdor Lieberman proposed nuking Gaza following the US example when it dropped the atomic bomb on Japan during WWII.

This "ideology of annihilation" is by no means a minority opinion in Israel, but represents a mainstream in the Jews of Israel as well as Jews in the West (US). The popular attitude is "if it was right by God to order us to commit genocide during Biblical time, why can't it be right to commit genocide now. Has God changed his mind?" Indeed Judaic god is a racist genocidal god.

Watch and listen here to an example of how Israeli Jews are brainwashed and indoctrinated into the ideology of annihilation by their rabbis and scholars through Israeli media. Watch Max Blumenthal's videotape of a group of messianic Orthodox Jewish Chabad-Lubavitch exhibit this ideology in NYC in January 11, 2009.

The Israeli spokesman, Nachman Abramovic demonized Palestinian children stating "They may look young to you, but these people are terrorists at heart. Don't look at their deceptively innocent faces, try to think of the demons inside each of them ... I am absolutely certain these people would grow to be evil terrorists if we allowed them to grow... would you allow them to grow to kill your children or finish them off right now? ... honest and moral people ought to differentiate between true humans and human animals. We do kill human animals and we do so unapologetically. Besides who in the West is in a position to lecture us on killing human animals. After all, whose hands are clean?"

Human animal mentioned by Abramovic refers to the Judaic religious belief that Jews are Gods chosen people; the elite and the pure-blooded, while all others (non-Jews, Goyims, gentiles) are animal souls incarnated into human bodies to serve the Jews. Killing a human animal is just a sport like hunting deer or birds.

## **Berlin offers citizenship for French-German WWII babies**

**Germany is set to make it easier for tens of thousands of children fathered in France by German soldiers during World War II to gain citizenship six decades on, the Interior Ministry said Thursday.**

"The German government is aware of the difficult fate of the French 'war children.' The interior ministry will ... accommodate those who want to apply for German citizenship," a spokesman told news agency AFP. The Süddeutsche Zeitung daily reported earlier Thursday that German citizenship would be awarded to the applicants, who often suffered discrimination in France, as a "symbolic gesture to make up for past wrongs."

"We will act generously with applications. For example, we will not levy fees," the spokesman said. The German foreign ministry has worked "intensively" with its French counterpart on the subject, he added.

Nevertheless, each of the offspring would have to apply for German citizenship individually, he said. French Foreign Minister Bernard Kouchner has previously called for "recognition" of the suffering of the children - now in their 60s - who were stigmatised in France as "bastards of the boche," a derogatory wartime French term for German soldiers.

Researchers estimate there were around 200,000 such children.

## **NSALP NATIONAL, REGIONAL & STATE PARTY LEADERS**

**Christopher Krebs, General Chairman**

Greetings Fellow National Socialists:

I wanted to take a few minutes this Sunday morning and share some thoughts. First I want to thank all of you for your commitment to National Socialism and the rebirth of OUR Nation. I have enjoyed the various discussions I have had with many of you on the phone and in person at many of your events.

We are American national Socialists, We are Patriots, We are not separatists, we will not leave or give up or surrender our Nation to the foreign and special interest influences.

We see the real ramifications of their plutocratic jewish networks in today's collapse of our economy. With this collapse they have also destroyed our National pride, while millions try to feed their families, they continue to wheel and deal and laugh all the way to the banks, now instead of ill gotten "investments", they are getting handouts courtesy of ethically challenged politicians who would rather walk around showing these fat cats their pockets instead of do the people's work and do what is best for the Nation and its People. These swine are every bit and more Traitors to our Nation and People as the pigs who are getting bailed out with funds the Federal Government borrows from China, this is a Ponzi Scheme to top even the Jew Madoff, but of course both George W and Obama's corrupt Governments are dominated by Jews, so we should expect no less.

While they continue to attempt to preserve their morbid and distorted reality of greed and political Sodem and Gamorah, National Socialism is growing like a wildfire. If there was ever a time for a National Socialist Revival, it is NOW..."The time is OURS. What happens with it depends on US." The difference between National Socialists and the plutocratic single Party with 2 heads in charge today is the same as it would be if our Founding fathers were to come back today and rate them, they would be with us.

## Chairman Krebs (cont)

The differences between National Socialism and the Democrats and Republicans, besides their obscene corruption and beholdng to special interests are immense. These two Parties are determined to bind our Nation to Jewish corporate and Special Interest enslavement, WE WILL NOT BE SILENT ON THIS... These two Parties spread jewish poison, and take it willingly because they stand for nothing, they do not have our uncompromising patriotic ideology to our Nation, People, Culture, and History. While we seek Unity of our people to a Community Spirit, they seek division for their immoral personal gain.

Our Party was just organized 11 months ago, yet we are now in 26 States, our Web Site is visited from all over the world, our Newsletter receivership has quadrupled, calls to our National Office begin at 9 AM and the phone still rings well into the evening. The comments submitted to our web site have been fantastic, people from all walks of life and ages are joining us. I am especially proud of the number of my fellow military comrades and their families who have joined us. We salute these Hero's for their Duty and Honor to our Nation. More and more are joining us because we articulate issues and in a way they relate to and because we hold ourselves to very high standards.

While the special interests continue to pull the strings of the two so called major parties and continue to pursue political correctness and sell out America, we will continue on our quest and grow and grow. We already have 4 candidates who will be running for office in the next elections.

What we will demand is:

Accountability

Patriotic Correctness, Love this Nation or Leave

Loyalty as a condition of Citizenship, no parasites

End economic terrorism and treason

Settling of accounts with those who have been destroying our nation from the inside

End of decadence and immorality that is purposefully destroying our women and children

A Jew Free Economy and Culture

Our task is daunting, they will come at us with all they have, we must be strong and united so as to withstand their body blows, then put them out for good. "We must cease to be anonymous, let them curse us, libel us, battles and beat us up, BUT, let them talk about us..."

We have lit a spark, now let it become a wildfire throughout our Nation, People, and Culture. be not afraid of your views and ideas, when in truth it is they who are afraid of them.

On to victory

**Submitted by Drew Westphal, Texas State District Leader:**

Hail Chairman Krebs. Here is my bio. Please feel free to provide any feedback.

I am from Boca Raton, FL, a once beautiful beach town, but now an ostentatious, nouveau riche Jewish haven. I am married with two step children and three children of my own. I serve in the U.S Army and I have completed one tour to Iraq. Prior to joining the military I worked for Pat Buchanan's presidential campaign. I have bachelors and two master's degrees.

I was introduced to the NSALP by Kevin Brannen. He and I corresponded about the Christian National Socialist Party, and he told me they had joined with the NSALP. Why am I an American National Socialist? It is really simple. I do not want to leave this country and our world to non-whites. I do not want the great land of our Nordic Christian fathers to turn into Calcutta. I do not want darkness to win over light. I do not want my white children to live in a world of degradation, pornography, disease, crime, slavery, drugs, and death. I want our white children to grow up in a decent, safe, just society where they can worship and honor our Holy Lord Jesus Christ in peace, and fulfill the mission allotted to them by our Eternal Creator.

Why the National Socialist American Labor Party? Because it is the real thing. The NSALP is the promulgator of true National Socialism, which in essence is Positive Christianity. All of the other so-called National Socialist parties are anything but. They are full of haters, scum, and white trash. They have no character and are led by their appetites and passions, not truth, love, and the all-important goal of white brotherhood. The NSALP is a party of good, decent, God-fearing men and women. We only want what is best for our people, but we do not wish any harm to others. In fact, we want what is best for all of God's creation.

We have spent the past 2000 years killing each other in fratricidal wars, and it has brought us to this precipice of extinction. Our enemies want to kill God, which means they want to destroy his creation. National Socialism is our defense. We must join together in truth, righteousness and love and fight for our right to determine our future and forge our path. The alternative is the death of western civilization altogether. The death of our people and all that is beautiful in the world. Adolf Hitler forged a new path. A path of life, happiness, security, and excellence. A path of honor and courage. We must carry on his legacy and fulfill the mission God placed him on earth to accomplish. We of the National Socialist American Labor Party will not be intimidated or scared. We will confront the Jewish-led non-white menace head on. And we will be victorious.

Hail Victory comrades, and Gott Mit Uns!

**North East Region Leader & Connecticut State Leader**  
**Danny Lee Thompson**

Greetings fellow comrade:

Allow me to send greetings from the North East region. I am Danny Lee Thompson the North East Region Leader, and the Connecticut State Leader. I have seen your post and I am also following it by adding I am part Christian and Celtic due to my father & my mother. My father's family is also National Socialist for which I am 3rd. generation, and my mother's family is Celtic. My Grandfather on my mother's side was a farmer in Mass. as well as my Great grandfather on her side. I have a small jewelry business in Connecticut called Jewelry by Danny Lee Thompson for which now I have to use as my source of income due to current employment problems, but I won't get into that. If you could I would like to propose a setup with the NSALP to sell jewelry to party members in all regions. Please contact me by my home phone number which is 1-860-482-2364. Also please forgive me if I have some spelling problems when I rush on getting a lot of things done I tend to make a few mistakes. I also have a proposal of setting up a Helper Office in the NSALP.

**Rev. Robert Hamilton, Deputy Party Leader/ Pacific Region Leader**

My name is Reverend Robert Hamilton I have been an American National Socialist since I was 13 yrs old, I am now 35. I am college educated; I have a 12 year old son. I have devoted myself to American National Socialism and God. Why I joined the NSALP aside from being a co-founder of the party is I didn't feel the other NS groups shared the same ideals as I was looking for. I dislike the skinhead mentality and the criminal acts a lot of skinheads commit. I sought a truly Political Entity and found that a very good friend named Christopher Krebs felt the same way.

**NSALP OHIO STATE LEADER**

**Mr. Joel Tucker**

I am Christian National Socialist married man of four children. I joined the NSALP because to me, it resembles the NSDAP a lot in its ideology and principles but it is more Americanized than any other NS group I have ever known or been associated with. I am a National Socialist because unlike any other political movement, party, or ideology; National Socialism is the only one that genuinely cares about the Aryan (White) race and its survival and welfare; that being said I am proud of my Aryan (White) European-American heritage and I want my children and my race to flourish and survive and not to become extinct because breeding with other races, as it currently endangered of becoming.

## ALABAMA STATE DISTRICT LEADER

### Mr. TED RAILEY

I am just writing to say that there is finally an organization being created by white people for white people that are educated enough to be able to address problems on the literary level for people to listen to what we have to say, and not be written off as illiterates with illiterate causes. We have other brothers that are in other groups that maybe some day will study us and our causes. It should not take much meditation to realize that we are a political organization and not just a vulgar, going no where group. I myself am proud to be a part of the NASALP. I also hope others will look over our site and decide that you want to join the NSALP.

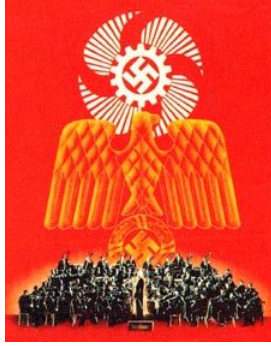

May God bless you and yours,

### ***NSALP ALERT:***

***German Government attempting to remove original National Socialist and Third Reich Films produced under the National Socialist Government from 1933 – 1945 from general availability. This means the German Government to this day lives in fear of the work of National Socialism of over 60 years ago.... WHY???***

***We urge you to purchase these films while you still can.***

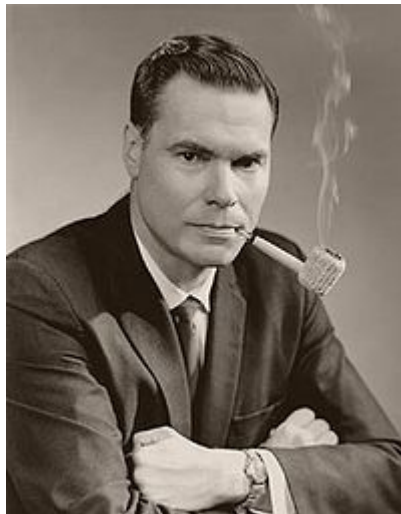

## **NATIONAL SOCIALIST ICON OF THE MONTH**

**George Lincoln Rockwell**

**“Forefather of American National Socialism”**

**Tribute by NSALP Chairman Christopher Krebs**

**George Lincoln Rockwell** is the modern forefather of American National Socialism. There is no doubt that in a turbulent period, Commander Rockwell, a decorated American Navy Commander, proved that true American patriots could stand up and confront corrupt jewry, political correctness, zionism, and the poison that was then being packaged as “social experimentation” and “progress”. To day we see the effects of the progress, decadence, decay and rapid decline of America as a Western Christian Nation.

We need more Rockwell extremism and far less Obama hope.....
